

# #LightTheWay

Domestic Violence Awareness Month (DVAM) is held throughout the month of October.

Communities around the country will celebrate the tremendous progress victims and advocates have made over the years, mourn for those whose lives were taken by domestic violence, and connect with one another in a true sense of unity to end domestic violence for good. DVAM is a chance for anyone and everyone- victims, survivors, advocates, law enforcement, supporters, and political leaders- to unite in our work to end domestic abuse.
